Dear Skylos Clients and Friends,

We wanted to provide some clarification to those of you with appointments scheduled for your pets with Skylos in these uncertain times. Pursuant to the new Stay-At-Home Directive from Governor Hogan as of March 30, 2020 we have pulled excerpts from his Executive Order as it pertains to the availability of veterinary services to the community and our ability to remain open and operational at this time. **We are here for you and your pets!** We are still utilizing our curbside concierge service and reducing contact as much as possible while safely and thoroughly caring for your pets.
